

November

Season is just two months away! We have had an incredible few months already, as we have participated in many walks and held few successful fundraisers. We are looking forward to all the events we have in store during the month of November.

Our team has been collecting recyclable bottles and cans every Friday. Our goal is to collect at least 1,000 bottles by the end of the month. The proceeds will be used to purchase food for our trip to the Ronald McDonald House that will take place in December. The Sock drive will take place on November 3rd until the 20th, and we will encourage everyone to bring in at least ten pairs of socks, which will be donated to the Salvation Army.

Aside from drives, on November 14, our team signed up for Westinghouse grant, so we are hoping to hear from them soon. On November 23, there was a fundraiser held at Ono Hawaiian BBQ, and we had a great turn out. Thank you to all team members, and families who joined us on Sunday. We had the Vahagn Setian Walk that took place on November 29, and our team walked to help the youth build healthy and productive lives. The walk went extremely well. Our team ventured through the streets of Beverly Hills promoting leadership, teamwork and the courage to make the right decisions. We had about eight students from our team participate and volunteer to help out with the race. We saw and met a lot of important and interesting people such as the Mayor of Beverly Hills. When the race was finished, they handed out gift bags and rewarded the winners with prizes.

Since October, we have collaborated with Green Hippo, an organization that recycles electronic waste and we're partnering with them to raise money for the team. They take ink cartridges, toners, phones etc. and give us money for the things we recycle. There is a box in Mrs. Santa Cruz's office to drop them off. Please bring in anything you can! They come every Friday to pick-up the items.

Past Events:

- Recycling Drive: November 1- November 26, to raise money for our team.
- Sock Drive: November 3rd-November 20th, we encouraged everyone from our team to bring at least ten socks in, which as been donated to the Salvation Army.
- Thanksgiving Drive: November 4th- November 13th, we collect about 900 cans to provide food to the less privileged individuals as well as the Salvation Army.
- Westinghouse Grant: November 14th, it aimed to inspire young people to be science and technology leaders by exposing them to the possibilities of STEM (Science, Technology, Engineering, and Mathematics).

- Ono Hawaiian BBQ: November 23rd, we raised money for our team and we enjoyed seeing our friends and family come out and support us.
- Vahagn Setian Walk: November 29th, our team walked to help the youth build healthy and productive lives.

Up-Coming Events:

- Season: January 3rd, Beverly Hills High School, to get ready to win competition.
- RoboMania: December 7th, Beverly Hills Public Library, to encourage the younger generation in the ideas of Science, Technology, Engineering, and Mathematics.
- Celebrating STEM: December 6th, EDC in Beverly Hills High School, to celebrate and recognize the achievements, talents and pursuits of the Society of Women Engineers.

Meet Our New Students:

Patrick Li

What grade are you in? 11th

What subgroup are you in? Business

What do you like most about robotics? I get to meet new people.

State a fun fact about you: I like to play sports.

Gabriel Davoodpour

What grade are you in? 10th

What subgroup are you in? Business

What do you like most about robotics? I like how the the program is open for everyone to join.

State a fun fact about you: My favorite sports are basketball and water polo.

Deborah Newman

What grade are you in? 11th

What subgroup are you in? Business

What do you like most about robotics? I get to pick assignments that I am interested in.

State a fun fact about you: I like to go cliff jumping.
